8th September 2008

Dear Parent/Carer

Contributions for Design & Technology

The cost of providing materials for Design and Technology has risen considerably in recent years. To enable us to give each candidate the opportunity to design and make successful projects, we would be grateful if you could make a contribution of £10 towards the cost of materials from Year 7 to the end of Year 9.

Where a contribution has been made the items produced are the property of the candidate and may be taken home on completion. Where a contribution has not been made the items remain the property of the school.

Please complete and return the attached reply slip together with your contribution to the box outside the Finance Office. Cheques should be made payable to Beaumont School.

Yours sincerely,

C. Jeffcoate
Head of Design and Technology
