To all Year 12 parents

24 February 2010

Dear Parent/Guardian

UNIVERSITY APPLICATION INFORMATION EVENING

I am hosting a presentation and discussion about the university application process on Thursday, 11 March at 7.00pm in the Hall. All parents of Year 12 students who are considering applying to university next year are welcome.

The presentation will provide an overview of issues such as course and university choice, student finance and deadlines. It will also explain how Beaumont co-ordinates the application process for its students. I would expect the presentation and follow up questions to last about one hour.

If you wish to attend, I would be grateful if you could return the reply slip below (via your daughter/son's Form Tutor) so that I can ensure we have the correct amount of seating.

Yours sincerely

P de Kort

Mr P de Kort
Head of Sixth Form
