

5th October 2011

Dear Parent/Guardian

Re: Year 9 Curriculum Enrichment Week – 2th – 6th July 2012

Following the success of last year's Curriculum Enrichment Week we will again be offering students the opportunity to choose from either a residential trip (PGL) or a range of activities in school. If you choose to select from the range of activities in school please read the information on the website carefully. Changing choices once allocated can be very difficult due to maximum numbers on the activities, and which days these activities are taking place.

Residential Trips

Full details of the PGL trip are in the attached letter. If your son/daughter decides to opt for this trip, they should return the form headed 'Year 9 Curriculum Enrichment Week Residential Trip Form' together with the deposit.

School-based Activities

The full list of activities with descriptions is on the Beaumont school Website on the Trips and Visits page under the Info tab. <http://www.beaumontschool.com/information/trips.php>. If you would like a paper copy of this, please contact Mrs Pellington, Trips and Visits Administrator on 01727 732970. If your son/daughter is selecting school-based activities, they should return the attached form headed 'Year 9 Curriculum Enrichment Week School-based Activities Option Form'. Please be aware that some activities last the whole day and others half a day, therefore pupils should select the appropriate number of activities for the week (e.g. three full day activities and four half day activities). Please also indicate two days of reserve activities which I will then use if I am unable to allocate all first choice activities.

Unfortunately, we are unable to meet the full cost of these activities from our own funds. I am therefore asking you to make a £15 contribution towards the cost of the activities for the week but please be aware that if your child chooses any of the activities marked with an **, a further contribution is requested in addition to the £15 for the week. These are voluntary contributions. However, if all parents are not prepared to make the contribution, we may not be able to run the activities for any pupils.

I should be grateful if you would complete the appropriate reply form and return it together with your payment **by Wednesday 19th October**, (cheques to be made payable to Beaumont School), to the box marked Year 9 Curriculum Enrichment Week outside the Finance Office.

If you have any queries please contact me at school.

Yours sincerely

Y.Powdrell
Assistant Headteacher
