

BEAUMONT SCHOOL TRIPS AND VISITS OCTOBER 2008 – APRIL 2010

We are proud of the range of trips and visits we are able to offer students at Beaumont, and it is one of many aspects of school life on which the Inspector in our recent OFSTED inspection commented positively: 'Students' enjoyment of school is strong and is enhanced by the many visits the school organises and by the wide range of extra-curricular activities.' (Inspection report)

In addition to the seven Curriculum Enrichment days during the year, there are a number of other, voluntary trips and visits. Brief details are set out here in order to help you in your planning.
