

February 2012

Dear Parent / Student

RE: A2 Art and Design – Important Information

I am writing to let you know important information about the Art and Design Department at Beaumont as this is a busy time of year in the A2 syllabus.

Students should aim to finish their Unit 3 'Personal Study with supported A2 Essay' coursework by **Tuesday 28 February 2012**, whereby their work will be assessed to date and feedback given back to the student.

Students will be expected to come into Beaumont to put up their A2 work for exhibition in the Technology Foyer prior to the moderators visit. Students will be notified of the date.

The proposed dates for the Unit 4 External Exam 'Combinations and Alliances' are **Thursday 10 May and Friday 11 May 2012**, and all sketchbook work and supporting studies must be submitted at the end of the exam. This equates to 40% of their A2 grade.

Students are always welcome to work within the department at times other than when their lessons are scheduled.

Please be aware that all work will be available for collection in the Tech Foyer in the next academic year, which is usually around Half Term at the end of October. Students will be notified when their work is available for collection.

If you have any queries regarding any aspects of the students A2 course, please do not hesitate to contact us.

Yours sincerely

Ms V Findlay
Acting Head of Art

Mrs E Roch
Teacher of Art
