Dear Parents/Carers

Re: Course Information booklets

Every year we publish information about the subjects that your child will be studying over the coming year. The booklets provide useful information about the subjects and courses in that year and for KS4 information on Exam Boards and specifications as well as Controlled Assessments and deadlines.

We have made Course Information booklets for all years available online. You can access the booklet by going to our website (www.beaumontschool.com) and selecting the appropriate Year group on the Info tab. It is also available by clicking on the Curriculum tab and selecting Course Information from the drop down menu.

In our attempts to reduce our impact on the environment, we will only print paper copies of the booklet on request.

If you require a paper copy of the booklet, please complete and return the reply slip below to **Reception** by Friday 14 October.

Yours sincerely

Mr A Goodwin
Assistant Headteacher
