

Beaumont School Aims

Our aim is to prepare young people to become active, caring and confident citizens who lead rewarding lives.

We will do this by helping each young person to flourish within a school community which is committed to :

Providing outstanding learning opportunities within a broad and balanced curriculum;

Creating a safe and caring environment in which every young person enjoys learning;

Developing an awareness of our world, celebrating cultural diversity and promoting a concern for the environment.

We hope that every student who leaves Beaumont does so with a sense of pride in their achievements,

an awareness of their responsibilities and a sense of appreciation for all the opportunities they have experienced
