Key Stage 5 (A level and equivalent)

	Beaumont	National
Grade A*	7.9%	8.2%
Grade A* or A	36.8%	27%
Grade A*, A or B	65%	52.6%
Grade A*, A, B or C	85.7%	76.2%

There were 31 A* grades at Beaumont, shared between 21 students and 14 subjects

Beaumont also had 14 (10%) of our most able students studying the International Baccalaureate, producing some impressive results that are not shown in the percentage A* - C grades above but are included in the average points scores below. (Hence the % A* & A are somewhat suppressed by this)

	Beaumont	BSV
Average points per student	847	810
Average points per entry	227	223
UCAS points per student	353	
UCAS points per entry	94	

90% of students gained entry to a University of their choice (including 75% gaining their 1st choice)

QCA (The Qualifications and Curriculum Authority) allocate a points to each grade at A-level as follows: A*-300, A -270, B – 240, C- 210, D- 180, E – 150. All the points all of the students achieve are added together and an average for all of the students is worked out. For Beaumont this year the average total was 831, and the results of boys and girls were very similar. Parents and students should be aware that this total does not include General Studies which is not a compulsory subject in Beaumont.

The average points per entry indicates the average grades achieved by students. Our average of 226 is between a B and C grade.

The QCA figures are published in national league tables but are not used by universities (UCAS) who have their own system for allocating points to grades. These are more important for students as they will determine universities they will be able to attend. The UCAS system is: E – 40, D- 60, C- 80, B – 100, A – 120

The UCAS system gives more weighting to the top grades e.g. in the UCAS system an A is worth three times as many points as an E, but in the QCA system an A is worth less than

twice as much as an E. We have included the UCAS points here for purposes of comparison.
