

4th May 2011

Dear Students and Parents,

In preparation for the final two Year 11 Geography exams the department is running a revision morning on Saturday June 11th in school. It will start at 9.15am and finish at 11.45am and will be based in the Geography classrooms. This is just before the Dynamic Planet exam (worth 25%) and the Decision Making exam (worth 25%).

During the morning, students will complete a carousel of activities with different Geography teachers to remind them of and revise key concepts and case studies for both papers.

We need to know the number of students who are likely to attend so please complete the reply slip below and return it to a Geography teacher before exam leave starts.

Yours sincerely,

Sarah Hosegood
Head of Geography

Please return to your Geography teacher in your next Geography lesson.
