

October 2010

Dear Parent/Carer,

### **Contributions for Design & Technology**

The cost of providing materials for Design and Technology has risen considerably in recent years. To enable us to give each candidate the opportunity to design and make successful projects, we would be grateful if you could make a contribution of £15 towards the cost of materials from Year 10 to the end of Year 11. The contribution includes the price of an A3 design folder and a subject guide.

Where a contribution has been made the items produced remain the property of the candidate and must be taken home on completion. Where a contribution has not been made the items remain the property of the school. Year 11 coursework will need to be retained by the school until the completion of the moderation process in October.

Please complete and return the attached Reply Slip together with your contribution to Mrs. J. Wells in the Finance Office. Cheques should be made payable to Beaumont School.

Yours sincerely,

Mr. C. Jeffcoate  
Head of Design and Technology
