

November 2011

Dear Parent/Carer

Re; Year 10 Parent Consultation Evening Wednesday 9 November 2011

As you may have heard, neither Miss Rosler nor Mrs Monnan will be able to attend the forthcoming Year 10 Parents' Consultation Evening.

However, if you would like to speak to someone about maths issues in Year 10 in general, I will make myself available on that evening. I will not be making appointments, just come along and see me.

Please remember I will not be able to comment very much on the specific progress of your child but I can answer any questions that you may have of a more general nature.

I am sorry for any inconvenience that this may have caused.

Yours sincerely

Kevin Smith
Head of Mathematics
