Dear Parent,

Helping your child cope with bereavement and loss

The St Albans Bereavement Network (SABN) is offering a session for the parents of pupils who are currently coping with bereavement and loss. This is open to any Beaumont parent of children or young adults who may be affected by recent events and the loss of a friend. The SABN workers will be discussing what you as parents can expect as young people come to terms with bereavement as well as exploring ways in which you can support your child through this process.

The session will take place on **Tuesday 1st December, 7.30 - 9.00pm** at Beaumont School.

Please return the reply slip below if you wish to attend this evening or call Jo Maher, *Nexus* Extended Schools Co-ordinator (01727 855134) , so we are aware of numbers.

If you are unable to attend the evening but wish to discuss support for your child from SABN, they can be contacted directly on 01727 841841, 10-00am – 4.00pm on weekdays.

Yours sincerely,

C Cross
Assistant Headteacher
