

December 2010

Dear Parent/Carer,

Re: Graphic Calculator

Some of the Sixth Form students have expressed an interest in purchasing a Graphic Calculator and so we are going to put in an order to the suppliers. I would like to stress that this is not in any way a requirement of the course but if your son/daughter feels that this would be of benefit to them then it will most likely be cheaper to purchase this item through the school.

I am prepared to make an order for whichever model you would like to purchase and I make no recommendations as to which is the best. Details of the functionality of each model will be available on the Cassio website.

If you wish to purchase a calculator please fill in the slip below indicating which model you would like to purchase and return to the finance office in an envelope marked Graphic Calculator Purchase with the appropriate payment by Friday 7 January 2011.

Yours sincerely,

K. Smith
Head of Mathematics

Graphic Calculator Purchase

Model	Cost
fx-9750G II	£40
fx-9860G II	£57
fx-9860G II	£75

Please circle the model required

I enclose the sum of _____ for the Graphic Calculator outlined above. Please make cheques payable to Beaumont School. Please return reply slip and payment by Friday 7 January 2011.
